

DOT BASICS

101

SPEAKER

Pam Jones, Transportation Specialist,
HNI Risk Services, Inc.

WHO SHOULD ATTEND

Anyone responsible for record keeping
and ensuring DOT compliance.

COURSE DESCRIPTION

Do you know if your company is targeted for an audit by the DOT? Are you aware of the criteria used to determine if you are? Attend this workshop to become more familiar with the government scoring system, SafeStat, which is used by the DOT to determine whether your company will be audited. This session will provide the updates on the ever-changing rules and regulations. You should also attend this workshop to prepare for an audit and avoid potential fines. You will also learn the distinction between interstate and intrastate regulations. We will review required paperwork, checklists, and expectations as well as the latest Hours-of-Service Regulations to ensure you and your organization are compliant.

TOPICS COVERED

- Hours of Service
- Safer & SafeStat scoring systems
- Driver Qualification Files
- Background Checks
- Vehicle Maintenance

Please make sure to have your Federal Motor Carrier Safety Regulations handbook (version with interpretations, not the pocketbook.)
